George Landis Arboretum

Those who contemplate the beauty of the earth find reserves of strength that will endure as long as life lasts.

—Rachel Carson

The loss of a loved one is one of life's greatest challenges.

Everyone manages grief in a very personal way, but most people are comforted by giving a special gift in honor of the deceased. Memorialize a family member, special friend, or beloved pet with our help. Let the healing power of nature provide solace and give pause at a difficult time.

The George Landis Arboretum, a public garden unequalled in its natural beauty, features hundreds of acres of forests, fields, and flower beds. Landis is a tranquil setting in which a memorable tribute to a loved one can be created.

- **Dedicate a tree.** A wide range of species and planting locations can be chosen with the help of our horticulturalist, or you may select a larger tree, already established onsite, from our extensive collection. A durable metal sign with a personal message chosen by the donor will be provided, as well as ongoing and perpetual care, with your gift of \$1500. Should the tree fail to flourish, it will be replaced.

- **Work with our staff to determine the most meaningful remembrance.** Whether you are seeking a wooded glade or an open field, Landis staff will be there to help. Perhaps a wooden bench overlooking the Schcharrie Valley or along a trail would be the most fitting choice, again at a cost of \$1500 for care in perpetuity, with replacement if needed.

- **Name a trail or building.** The Arboretum's idyllic trails and rustic buildings can also be memorialized. Contact us at info@landisarboretum.org or call us at (518) 875-6935 to schedule an appointment to explore this option.

The Arboretum's environmental mission and its collections are sustained largely through memberships and donations. Your customized memorial or dedicatory gift will contribute to the Landis mission.

Dedications

Let us be grateful to people who make us happy; they are the charming gardeners who make our souls blossom.

—Marcel Proust

Is there a special person who makes your soul blossom? Someone who inspires you, moves you, helps you live your best and most joyful life?

The Arboretum can also accommodate requests for dedications of trees, benches, trails, or buildings to recognize individuals you or your organization would like to honor in a significant and lasting way. This special someone could be a frequent visitor to the Arboretum, a contributor to its programs and services, or a newcomer who would delight in both your thoughtfulness and the wonders of Landis. We will work closely with you to make your ideas a reality.
